Two Guides Are Better Than One!

If you don't own *both*...the *Guide to Physical Therapist Practice, Revised 2nd Edition* and the *Interactive Guide to Physical Therapist Practice, With Catalog of Tests and Measures, Version 1.1*, your reference library is simply not complete. By having immediate access to both the print and online versions, you'll have *all* the capabilities you need to research the information you want—when and where you need it.

The interactive *Guide* has an easy-to-use hyperlinked format. It includes:

- More than 1,500 references for articles on reliability and validity, hyperlinked to abstracts on MEDLINE's PubMed.
- More than 1,000 screens of information about tests and measures, diagnostic classifications, and intervention categories.
- Robust search capability, including searching by keyword and ICD-9-CM codes and the ability to search using multiple terms.
- Downloadable PDF examination and evaluation and patient satisfaction forms.

(Note: CD compatible with Mac OS 9.X and earlier operating systems only.)

*Single-user licensing only.

**Prices lower than in most bookstores! Individually or in bulk with no further discounts. Faculty who are APTA members may buy the *Guide CD* for their education programs at the student member rate.

**Save when you buy
the CD*/book package!**

Order No. KIT-GUIDE

Regular price: \$250

APTA Member price: \$125

Student Member price: \$115**

To order, call APTA's Member Services Department at 800/999-APTA (2782), ext 3395, Mon–Fri, 8:30 am–6:00 pm, Eastern time, or order online at www.apta.org.
